#### STILL INCREASING.

The patronage of the Criterion bar-

shops derive an increase for a time,  
but it drops off again, while at the  
Criterion barber shop the motto still  
stands good, "Once a patron, always a  
patron."

### VISITING OFFICERS CALL

#### PRESIDENT RECEIVES HEADS OF THE MANILA EXPEDITION.

Thousands of Civilians and Soldiers  
Throng the Executive Grounds—A  
True Gala Day.

At 12 o'clock noon the President and  
Cabinet received the officers of the ex-  
pedition. Attending the Executive at  
the time were Colonel Soper, Major  
Laucke and Captain Pratt. Minister  
of Foreign Affairs Henry E. Cooper  
introduced first American Minister  
Sewall and the officers in the follow-  
ing order: General Anderson and his  
staff; Captain Glass, of the U. S. S.  
Charleston, and staff; Captain Nichols  
and staff of the U. S. S. Bennington;  
the three colonels, majors and then  
the line officers.

During the reception the stairs and  
grounds of the building were thronged  
with people. A platoon of regulars  
under Captain Coyne was drawn up  
on the driveway and the Hawaiian  
band occupied a position near the  
gate. The Second battalion of the  
California regiment arrived a few  
minutes before the reception began,  
and was dismissed on the grounds.  
About the building there was also  
perhaps a thousand of the visiting sol-  
diers from the various organizations.  
Immediately following the recep-  
tion the officers were taken to the Of-  
ficers' club, where lunch was served.

#### TOMORROW.

Dinner to the Soldiers at the Drill  
Shed. General liberty for the troops.  
Saturday—The transports sail.

#### ENLISTED NEWSPAPER MAN.

R. H. Ross, a bright young news-  
paper man, is enlisted in one of the  
California companies for Manila. He  
is with the Examiner-Journal and is  
expected to keep up with the First  
California in the Far East. Mr. Ross  
was formerly connected with the  
Mexican Herald in the City of Mexico,  
later transferring his talents to the  
Monarch of the Dailies.

#### CALIFORNIA AND HAWAII.

The Pacific Hardware Company  
displays in their window a handsome  
colored map of California, the Ha-  
waiian Islands and the Islands of  
Oahu and Kauai separately. The  
work is that of George W. Lucas, 10  
years old son of Thomas R. Lucas. All  
of the lines, meridians and distances  
are correctly marked. The map is as  
pretty as well as a valuable one.

#### AN INVINCIBLE COMBINATION.

Tom Cooper, one of the fastest and  
best known National Circuit chasers,  
who holds a record that is the envy  
of every bicycle rider, will this year  
ride a "White" bicycle, which is not-  
ed for its durability and workman-  
ship. The Pacific Cycle and Manu-  
facturing Co. will from now on handle  
this wheel so well known in the United  
States.

ers, 50 cents; chemises, 35 cents;  
skirts, 50 cents; this week at the  
great underwear sale. Sachs Dry

#### NEVER BEFORE OFFERED.

The ladies are flocking to L. B.  
Kerr's millinery sale, and those who  
are competent to judge express the  
opinion that such values were never  
before offered in this or any other  
country.

#### NO TROOPS BEFORE EVER SENT SO FAR.

An Army of Invasion is Here on a  
Seven Thousand Mile Trip by Sea—  
Something About Them.

Never before in the history of the  
world has so great an expedition  
across the salt seas been undertaken,  
as has been initiated by the United  
States in the blow that is now being  
aimed at Manila. Other nations have  
struck far away, but they have had  
bases of supply nearer at hand. When  
England made the conquest of the  
Philippines she struck from India. But  
the United States strikes from home,  
and her blow will go home. First,  
there was the sudden stroke of the  
gallant Dewey, now will come the  
heavier stroke which means the anni-  
hilation of Spanish influence in the  
Pacific forever. What Dewey initi-  
ated the United States troops now pass-  
ing through these Islands will full-  
fill.

Of expeditions this is remarkable—  
not only from the greatness of its  
inception, but from the fact that for  
the first time the infant Hercules of  
the world, as it were, is showing his  
strength. Republican and Democr-  
atic institutions are asserting them-  
selves before in this world's history.  
They say that so far can the old work  
of despotism go on, but no further.  
A new era is opening upon the world,  
and the United States, eldest son of  
the liberal thought of the world, as-  
serts that he has come into his in-  
heritance and will claim his birth-  
right. As the exponent of these views  
of liberty these troops which are  
here today are willing and ready to  
fight and are willing to die, but the  
cause will be won.

The troops are here and Honolulu  
is glad to see them. Something of  
who and what they are and who and  
what we are is summarized in the fol-  
lowing paragraphs:

Senator Baldwin and B. F. Dilling-  
ham provided 200 dozen of soda water  
this morning for the boys in blue.  
The Zealandia, China and Centen-  
tal will arrive next week 3,000 men  
for Manila. They will have national  
guardsmen from Washington, Idaho,  
and perhaps as far east as Minnesota.  
There is a Colorado regiment of 1,025  
men in San Francisco, which may get  
off on the next boats. The China has  
been purchased bodily by the United  
States government for service and the  
Stars and Stripes are at last perma-  
nently over her.

The monitor Monterey will arrive  
here next week, perhaps with the next  
transports. On account of her lim-  
ited coal capacity one of the trans-  
ports will take a relay of coal at this  
port for her. She is a terrible fight-  
ing machine and in Manila will be  
good for a fleet of old gunboats and  
cruisers. The black monster half  
under water will be a great sight in  
this country.

At 9 o'clock half of the Oregon  
troops on the Australia were given  
shore liberty. Half of each company  
were allowed ashore. They return at  
2 o'clock, when the other sections will  
come off. At the same hour the sec-  
ond battalion of the First California,  
under Major Tilden, came ashore,  
marched to the drill shed and there  
fell out. They will all return to the  
ship at the same hour.

### PRESENTS OLD GLORY

#### THE CHARLESTON RECEIVES A BEAUTIFUL STARRY FLAG.

Princes David and Capid in the Name  
of the Queen Dowager Honors the  
War Ship.

An event unique in Hawaiian history,  
and one having peculiar interest  
at this time, not alone to the people  
of these Islands, but the world at  
large, took place on board the United  
States cruiser Charleston this  
morning, when Princes David Kawa-  
nanakoa and Cupid Kalaniana'ole pre-  
sented to the dashing battle ship a  
glorious American flag, in the name of  
the Queen Dowager, Kapiolani, and  
the Hawaiian people.

The ceremony was simple, but beau-  
tiful and impressive to a degree, and  
bears directly on the growing confi-  
dence and friendship of the native  
Hawaiians to the great American na-  
tion over the seas. It was a history  
making event in the relations of the  
two countries which have been so  
closely drawn together in the last  
quarter of a century.

The ceremony took place on the  
main deck of the Charleston and was  
witnessed by the entire diplomatic  
corps and the leading officers of the  
army and navy of the United States  
now in Hawaiian waters and on Ha-  
waiian soil. At 10:45 a. m. the offi-  
cers and men of the cruiser were cal-  
led to quarters by Captain Glass, while  
Minister Sewall, Consul General Hay-  
wood, General Anderson and the other  
leading officers of the United  
States troops, took positions at the  
extreme end of the main deck, and  
near the officers quarters. The Prin-  
ces were received at the gangway of  
the Charleston by Captain Glass, its  
commander, who welcomed the rep-  
resentatives of Royal Hawaiian blood  
to his vessel in the name of the United  
States government, and then in-  
troduced them in turn to the assem-  
bled guests.

With the marines at attention, and  
every head uncovered, Prince David  
presented a magnificent silk emblem  
of Old Glory to the Charleston, in the  
person of Captain Glass.

In making the presentation speech,  
he spoke of the grateful remembrance  
in which the Charleston was held by  
the members of the family of the  
late King Kalakaua. In token of  
their gratitude the flag was present-  
ed.

The captain responded in an ad-  
dress breathing forth words of good  
will and friendship for the Hawaiian  
people.

Immediately upon the conclusion of  
Captain Glass' address the flag was  
delivered into the hands of an order-  
ly, and flung to the morning breeze  
at the stern of the Charleston, while  
the band played the inspiring strains  
of The Red, White and Blue.
